

SOME TAKEAWAYS:

Make a conscious choice with the language and labels we use.

Setting the scene

What are the beliefs that inform our practice and outlook?

Setting the scene - keep reviewing them

How can we 'normalise' diversity and support a cultural shift?

Setting the scene

We can take positive steps to develop accessible spaces and increase the visibility of resources.

What am i going to do?

The rainbow lenses add so much to my kete.

Organisational Change -

What we do

Language matters and impacts.

Organisational Change -

What we do

Listen to gain understanding, not respond.

What am i going to do?

Open dialogue and ask questions.

What am i going to do?
